

Globally recognised HSE training that doesn't cost the earth.

50,000
learners per year
and growing

179,000
learners per year
and growing

21,000
learners per year
and growing

- ▶ Employers and individuals alike are recognising these qualifications as a **must-have to support their EHS & sustainability goals.**
- ▶ Online training and exams make these qualifications **more affordable and accessible to learners worldwide**
- ▶ COVID-19 has shifted **majority of learners to choosing online study** as their first choice

Get onboard with Astutis and start providing these solutions direct to your clients to widen your product range and enhance your bottom line.

Benefits of becoming an Astutis Channel Partner

Join an exclusive list of channel partners who resell our online courses to their new and existing clients.

Key benefits include:

- ▶ Widen your client reach
- ▶ Broaden your training portfolio
- ▶ Promote globally recognised HSE accreditations

Join over **50 global training companies** in the Astutis Channel Partner Network community

Astutis training is trusted by leading global brands, including...

Channel Partner Collaborations

Successful partnerships are based on shared principles and values. If your organisation is committed to promoting best in class health, safety and environmental training and is focused on providing your customers with high quality training products, becoming an Astutis Channel partner could be a great fit for you.

Commercial Model

Benefit from the flexibility of Astutis' 3-tier partner options:

Partner Type	Min. Credits	Cost per Credit	Min. Spend	Average Resale Margin*
Tier 3 Partner	50	£75	£3,750	27%
Tier 2 Partner	100	£67	£6,700	35%
Tier 1 Partner	250	£58	£14,500	44%

*Margin varies per course title.

- Step 1** Choose your preferred partner type / number of credits.
- Step 2** Promote your pre-selected courses in line with the pricing guidelines.
- Step 3** Sell these courses and make your margin.

Calculations – example

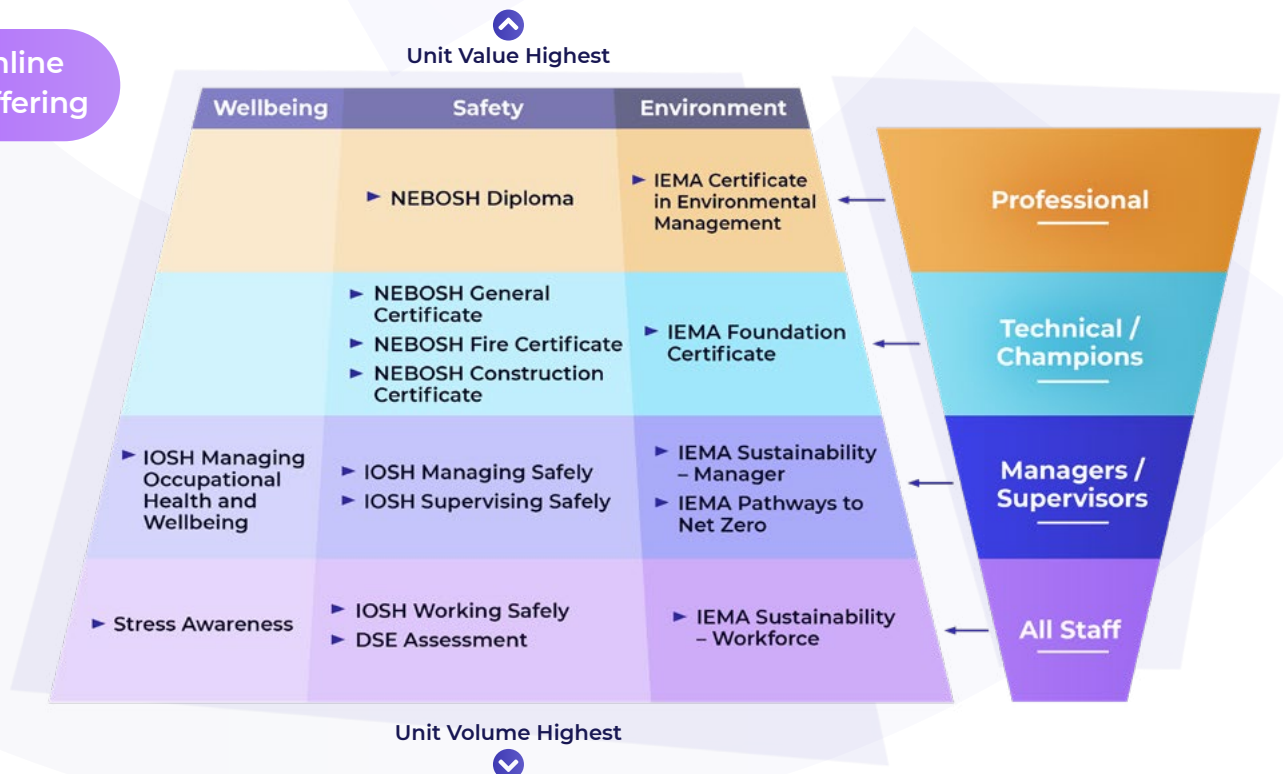

Purchase of **100 credits** with an intent to resell the **NEBOSH IGC (4 x credits)**

Each NEBOSH course you sell will deduct **4 credits** from your balance

4 credits = £268 (4 x £67) against a resale price of £470. Yielding a **gross profit of £202 or 43%**

All tutor and administrative support for learners is provided by Astutis – which means no costly administrative or operational post-sale costs to partners.

Astutis Online Course Offering

Our Customer Service Standards

At the heart of our customer service is our commitment to delivering quality training with five-star support for our learners. We strive to get it right the first time, every time.

Astutis have won the Feefo Platinum Trusted Service Award for 2023. This award is achieved by having reached Feefo's Gold standard for three consecutive years, with an average service rating of over 4.5 out of 5 from our catalogue customers.

"The online course materials are very well put-together. From the digital progress checks to the external resources and practice videos, the entire online experience makes it so easy to follow. The flexibility of learning helps me plan a study schedule that balances my work and study perfectly.

*The extra tutor support available has given me additional peace of mind considering the time difference, and the online revision sessions were useful in helping me prepare for my first exam. **The whole Astutis platform and available resources simplified my learning experience and fitted in with my schedule perfectly.**"*
