

IOSH Managing Safely Refresher

Astutis.

Introduction

IOSH Managing Safely Refresher is an IOSH approved certificate that helps managers and supervisors, who have completed the full IOSH Managing Safely course, update their understanding of everyone's health and safety responsibilities in the workplace. With the ever-evolving nature of the health and safety landscape it is imperative our health and safety knowledge is always up to scratch. Learners will review and evaluate the key areas of the IOSH Managing Safely course and relate them to a plan-do-check-act health and safety management system putting leadership at the heart of everything.

Benefits for Learners

- ▶ Lead a company-wide safety awareness culture shift and help improve appreciation of health and safety measures
- ▶ Increase your own productivity knowing less days will be lost due to sickness or ill-health.
- ▶ Improve active staff involvement to the workplace
- ▶ Enhance your status among your peers, become a vocal figure on safety measures and begin to set the standard on health and safety protocols.

Learning Outcomes

- ▶ Describe the key reasons to manage safety and health in the workplace.
- ▶ Recall safety and health key terms and their definitions.
- ▶ Describe the benefits and key parts of a safety and health management system.
- ▶ Identify how the law can affect safety and health in the workplace.
- ▶ Describe how to assess, reduce and control risk in the workplace.
- ▶ Describe the principles that underpin good safety and health performance.

Who is the course for?

Anyone who has successfully undergone the IOSH Managing Safely Certificate course over three years prior and wants to ensure the accreditation is kept up-to-date.

Benefits for Employers

- ▶ Rest assured knowing your staff have had refresher training and are up to date with their safety and health knowledge
- ▶ Minimal disruptions – This one day course means little time away from the workplace
- ▶ Have confidence that your managers and company supervisors have had industry-leading training that is trusted worldwide.

Course Key Facts

Duration: Approximately six hours

Access: Six months' access to multimedia and tutor support

Course Content

The course is split into six modules and covers:

- Module 1:** Thinking back
- Module 2:** Leadership
- Module 3:** Plan
- Module 4:** Do
- Module 5:** Check
- Module 6:** Act

Assessment

Learners must pass a short multiple choice test taken at the end of their course to achieve their IOSH Managing Safely Refresher certificate. Learners will have 30 minutes to answer 21 questions in a variety of formats, including multiple choice, true/false and open questions and short answers.
